Put a Pair of Top Performers to Work for You!

Get a Piece of the Action

According to catering industry trend-setters and forecasters alike, chef-attended Action Stations are hotter than ever,¹ reinforcing what one of America's most prestigious restaurant groups calls the Top Trend of 2009: Interactive Events. Formal seating affairs are giving way to casual lounge-like settings,¹ and Action Stations are a perfect fit for this more social and engaging experience.

Event guests love customizing dishes to satisfy personal tastes, watching the cooking process, asking questions of the chef — and enjoying delicious, freshly-prepared foods. You'll love the creativity Action Stations provide in menu planning and event theming, the cost efficiency of smaller portions and less food waste — plus, the sales advantage they offer you over the competition.

And to help give you the edge, Sterno® Brand now brings you a UL/cUL listed, professionally designed portable butane stove to ensure the best cooking performance, classic style and safety of guests at any event!

Sterno® Butane ActionStation™ Stove

Perfect for popular and profitable made-to-order stations featuring omelets, pastas, crêpes, international cuisine, regional fare and more — as well as tableside, outdoor and off-site cooking.

- Now...UL/cUL listed for consumer safety
- Made for high volume cooking
- Long-textured grates for greater stability
- Adjustable flame for all cooking needs
- Classic, professional-grade stainless steel design — with durable carrying case
- Key safety features include:
 - Piezo ignition with safety lock
 - Automatic shut-off pressure sensor

Own the Perfect Finishing Tool

Chefs who demand perfection know the importance of professional-grade culinary tools they can depend on to help make every dish a work of art. Now Sterno® offers a premium-quality butane torch that gives you a hand with the the cosmetic aspects of cooking, and saves valuable time in the back of the house. Plus, with the flick of a switch you can impress guests with delicious flaming tableside desserts!

Sterno® Professional Culinary Torch

Works wonders on crème brûlées, au gratins and meringues — great for caramelizing, melting, browning, crisping, skinning vegetables, and creating beautiful ice sculptures.

- Innovative anti-flare design
- Piezo ignition for instant start-up
- Immediate shut-off function
- Adjustable flame
- Safety switch with locking coupler mechanism

Sterno® Butane Fuel Cartridge

Made to fuel all Sterno® butane essentials.
