Sterno® Brand Hot Spot® SuperWick® Chafing Fuel

Sterno® Brand Hot Spot® SuperWick® has a patented non-spill design, burns long like a wick, yet hot like a gel and delivers consistent heat. The 4-hour burn time combined with the hotter temperature output makes it ideal for warming foods in chafers and hot boxes.

- Vacuum sealed: Provides freshest, moisture-free, quality product
- Sterno cares about the environment: Biodegradable, water soluble (water cleanup)
- High heat output: Keeps food in the temperature safety zone 141°F+
- Burns like a gel, but safety of a wick
- Patented non-spill design
