

38mm White Dispensing Pump – 400/case

High quality and durable 38mm locking pump ideal for gallon jugs and containers for home or commercial use

Features & Benefits

- **MULTI-PURPOSE:** perfect for commercial or home use for dispensing shampoo, conditioner, lotion, hand sanitizer, flavored syrup, condiment, liquid candle wax, and other gels and liquids
- **STANDARD FIT:** Fits 38mm (1 ½ inch) neck size, standard 38/400 neck closure and delivers a 4mL-5mL dose in one smooth motion
- **BUILT TO LAST:** Durable, high quality polypropylene construction securely screws onto containers for long-term use
- **VERSATILE:** Each locking pump comes with a dip tube that can be trimmed by the user to fit a variety of jugs and containers
